

We've taken the hassle out of moving your banking relationship to SouthStar Bank, S.S.B. with easy forms and step-by-step instructions. All the forms you need to switch your banking relationship to SouthStar Bank are included in this kit.

STEP 1 – OPEN NEW ACCOUNT

Stop by your local SouthStar Bank branch to open your new checking or savings account and sign up for online banking. We have a variety of products to fit your banking needs. Get a jump start by going to www.SouthStarBank.com. Click on the "About" tab, and then "Applications and Forms", "Commercial" or "Consumer", for an application and checklist. This will allow you to prepare the appropriate application and gather additional information for opening your new account before visiting the branch.

STEP 2 – GET ORGANIZED

Write down your new SouthStar Bank account number and routing number for reference. Review your most recent bank statement and itemize the transactions that you will be switching to SouthStar Bank, S.S.B. List companies which make direct payroll deposits and other automatic deposits into our account. Stop using your old bank account.

STEP 3 – BALANCE CURRENT ACCOUNT

Balance your old account and determine how much you will need to leave in it to cover any outstanding expenses. Take your current balance from your most recent statement and add any recent deposits that do not appear on your statement. List any outstanding checks, transfers, withdrawals, or upcoming automatic deductions that do not appear on your statement and add them up. This is the amount you should leave in your old account. Subtract this amount from your current balance. The remaining balance can be transferred to your new SouthStar Bank account.

STEP 4 – CHANGE DIRECT DEPOSIT FOR PAYROLL

Change your payroll deposit to your new SouthStar Bank account. Just complete the **Direct Deposits/Employer Payroll Form** and take or send to your Employer with a voided check.

STEP 5 – CHANGE AUTOMATIC DEPOSITS FOR OTHER INCOME

Redirect recurring automatic deposits such as dividends, annuities, or periodic distributions from your retirement account. Just complete the **Direct Deposits/Other Income Form** for each automatic deposit and send to the respective institution processing your deposit. Some organizations such as Social Security Administration may require you to use their form.

STEP 6 – CHANGE AUTOMATIC DEDUCTIONS

Redirect recurring automatic deductions/payments such as loan payments, membership dues, utility bills, etc. Just complete the **Automatic Deductions/Payments Form** for each automatic deduction and send to the respective company processing your payment.

STEP 7 – CLOSE OLD BANK ACCOUNT

Once all outstanding deposits and payments have cleared your old bank account, and all ACH/EFT automatic drafts have been transferred to your new account, you can close the old one. Just complete the **Account Closing Form** and send to your old bank. It's just that easy.

If you have any questions or concerns during this process, don't hesitate to contact us. A customer service representative is available to assist you at any time. Just call your nearest branch.
